**“Anyuta Health Care Revolution”**

**What we need is a change, Change is not merely necessary for life ... it is life!**

<table>
<thead>
<tr>
<th>Aim</th>
<th>To provide “Affordable and Available Health Care” to every Indian Citizen</th>
</tr>
</thead>
</table>
| Methodology | a. Free the Doctors or “Care Providers” from the clutches of the Hospital owners acting as “Health Care Infrastructure Providers”  
  b. Maximize Space, Equipment, Infrastructure and Manpower utility  
  c. Minimize the Insurance Premium and Maximize the coverage  
  d. Avoid duplication of work, Contain Managerial Costs within 8 per cent  
  e. Digitize the Medical Documentation, Billing & Accounting Systems  
  f. Carry out all Financial Transactions through Banks only |

**Destructive Innovation in Health Care Industry**

<table>
<thead>
<tr>
<th>Build Hospitals &amp; Provide Insurance</th>
<th>Hospitals is a combination of Care Providers &amp; Infrastructure Providers</th>
</tr>
</thead>
</table>
| a. Build State of Art Hospitals, Provide Quality Care at affordable Cost.  
  b. Provide Insurance driven health care where the Public Sector, Govt. and Private Hospitals deliver Quality Care at the same cost. |
| Patient Chooses his Doctor and Hospital to get treated | a. Care Providers:  
  Doctors, Nurses, Technicians, Paramedics, Ambulance Staff, etc.  
  b. Infrastructure Providers:  
  Hospitals, Nursing Homes, Day Care centers, Diagnostic Centers, Group practices, Clinics. |

| Allow Doctors to admit and treat patient in any of the hospital and get paid as “Fee for Service” | a. Care Providers are responsible for patient care and Medical Negligence  
  b. Insurance should pay the Care Providers and the Infrastructure Providers separately for the services rendered on “Fee for Service” basis. |

| Bring every Indian citizen under 24/7 Health Care Surveillance | a. Join “Anyuta Wholly Charitable Trust” & avail 24/7 Medical Surveillance |

| Empower people to pay for their Family’s Health Care | a. Make the Public-Sector Insurance Companies sell “Anyuta Universal Health Insurance Service – AUHIS,” a Family Group Health Insurance Policy at a Premium of Rs.1500/- on retail.  
  b. Make the Central & State government split Premium of Rs.1500/- with the Family of 6 members pay the remaining 30% of the Premium i.e. Rs. 450/- + Tax and Processing Fees. |

| Result | a. Family of 6 members pays only Rs. 450/- (Day’s Wage) to avail Rs.3 lakhs value of Cashless Hospitalized Care |

| Governments | Should provide good governance, stop running Hospitals & Insurance Schemes |

**This is “sabka-saath-sabka-vikas” “digital India” “make in India”**
